——————— If you are successful, please read the following statement. ———————

First, congratulations!

1.　Response of acceptance by **Tuesday, November 15, 15:00**

All successful applicants are required to respond.
If you wish to withdraw from the project, your response is still required, so please be sure to respond by the deadline.

2.　Payment of Research Incentives (equivalent to living expenses)

The first payment will be made on December 21 for the months of October through December. The payment will be made monthly from January onward.
If we need to make any corrections or confirmations regarding your transfer request form or copy of your bank book, we will contact you after receiving your approval. In such a case, please take action as soon as

possible. Also, please note that if the procedure is not completed in time, the first disbursement may be delayed.

3. Payment of Research funds

The issuance of detailed budget codes, which are necessary for the use of research funds, is scheduled for early December.

In principle, you are required to purchase goods, etc. after the issuance of the detailed budget code, but it is possible to retroactively request orders placed after the date of adoption*. When executing expenses, please read Guideline 4-4. carefully, and if you have any questions, please first check it with your academic supervisor or the person in charge of your laboratory. If you still have questions, please contact us through our website.

The execution deadline for FY2022 is the end of January 2023, so please plan accordingly.

*The date of adoption is November 17, 2022. Adopters will be announced again on November 17, including those who have been moved up in case of declines.

4. Payment of Support for Pioneering Research Initiated by the Next Generation Plus

If there is an "※" next to your name in the announcement of acceptance, you are a successful applicant for Support for Pioneering Research Initiated by the Next Generation Plus.

The amount of the grant will be announced when the detailed budget code is issued (in early December). It may be different from the amount of application and the amount of grant.

The method of execution is the same as for research funds, but please note that, in principle, you are required to execute the application as per the breakdown you entered in your application.

5. Application for Off-Campus Study Plus

Applications may be submitted at any time and will be reviewed once a month. If you are planning an off-campus study and need to pay for it, please submit the application at least 50 days prior to departure.

6. Sharing with relevant parties

Please be sure to inform your academic supervisor who will be responsible for executing the budget.

If you are being treated as a dependent by a person who is obligated to support you (such as a parent) for health insurance, support allowance, etc., in principle, you need to be removed as a dependent. So please be sure to contact the person who is obligated to support you.

If you have any questions, please contact us using the inquiry form on our website. Thank you.
