*About the additional selection

In the event that any successful applicant or supported student withdraws or is subject to cancellation of accreditation, the runner-up from this round of unsuccessful applicants may be moved up as the candidate for the support. Eligible students will be notified by the office via e-mail or telephone. The period of support for students who are selected for this additional selection will begin on the date of the decision to provide support and end on the date of the original scheduled end of support for the supported student who declined or withdrew, etc.

——— If you are a successful applicant, please make sure to read the following statement. ——

First, congratulations!

1. Response of acceptance by **Tuesday, November 26, 11:00 a.m. (JST)**

All successful applicants must respond.

Even if you withdraw from the application, your response is still required, so please be sure to respond by the deadline.

If you do not respond by the deadline, in principle, we will consider your application as withdrawn.

Acceptance Confirmation Form:

2. Payment of research incentives (equivalent to living expenses)

The first payment is scheduled for Tuesday, January 21. Only the first payment will be for 4 months (from October to January), and monthly payments will be made from February onward. If it is necessary to correct or confirm the transfer request form and a copy of the bankbook submitted at the time of application, we will contact you after receiving your approval, so please do so as soon as possible. Please note that the first payment may be delayed if the procedures are not completed in time or if you, an international student delay your arrival to Japan.

3. Payment of research funds

The issuance of budget codes, which are necessary for the use of research funds, is scheduled for early December. In principle, you are required to purchase goods, etc. after the issuance of the budget code, but retroactive appropriation is possible for orders placed on or after November 27, 2024 (date of selection).

Please take all the training courses you are required to attend, as proper use of the research funds is required.

4. Watch the recording of the orientation for supported students

All newly selected supported students are required to watch the recording. As the recording explains how to use research funds and points to be noted, the academic supervisors and administrative support staffs of supported students are also encouraged to watch. As the contents are as of spring 2024, please replace the terms as appropriate. You do not need to watch the latter part of the obligation is for supported students of the SPRING.

5. Sharing with relevant parties

Please be sure to inform your academic supervisor who will be responsible for executing the budget.

If you are being treated as a dependent by a person who is obligated to support you (such as a parent) for health insurance, support allowance, etc., in principle, you need to be removed as a dependent. Please be sure to contact the person who is obligated to support you.

If you have any questions about the above, please contact us using the inquiry form on our website. In principle, we do not accept phone calls or e-mails.

Thank you.
